

Resource Lending Library Policies

Two items may be checked out of the Lending Library for a period of two weeks. If items are not returned on the due date, a call will be made or a letter will be sent out as a reminder to the accountable party that item(s) are overdue. If item(s) are not returned within 48 hours you will be billed the replacement cost. The accountable party may purchase and return the exact item(s) to the library or pay the library's replacement cost. Failure to return library materials or pay for the lost items will result in the denial of library privileges for the individual.

Damage Fees

Any item(s) that is not returned in the same condition it was checked out is subject to damage fee at the discrepancy of the library (not to exceed the replacement cost of the item).

We ask that you please take care of the items and return them as they were checked out so that other people may enjoy the use of them.
