BSAC

BASIC SCHOOL AGE CARE

BSAC (Basic School Age Care) is a 5 hour introductory level training event for school age care professionals that are new to the field. The training includes the following modules: 1) Health, Safety, & Nutrition, 2) Environmental Design, 3) Child/Youth Development 4) Developmentally Appropriate Activities, 5) Guiding Child Behavior, and 6) Quality School Age Care. This training is required by the NC Division of Child Development and Early Education for school age care professionals working in licensed programs but is a great training for new staff in any afterschool program setting.

Participants will engage in interactive online activities that reinforce health and safety practices, create and promote learning environments that meet all children's developmental needs that foster positive behavior and identify quality elements of school age care.

This event is designed to be an interactive experience and requires full participation including dialogue response and virtual tools during the slide presentation. Participants should choose electronic devices that allow them to see, hear and participate in the full event. Smart phone and tablet apps may be limited in their functionality and compatibility with this learning platform. Credit for the course will not be given to participants that are not actively participating.

Dates of Training: May 8th & 15th 2017

Time: 9:00am - 10:30am each session

Location: Online www.gotomeeting.com (link will be provided to registered participants)

Cost: \$25.00

Instructor: Erin Marley (marley.erin@swcdcinc.org)

Credit issued: .5 CEU (equivalent to 5 DCDEE contact hours)

Register online at www.swcdcinc.org

Registration ends May 1st 2017

Participants in the online BSAC will be required to complete 2 hours of pre/post work assignments and participate in 3 hours of online coursework. Instructors have no propriety interest in development or marketing of any learning events. Participants must pass a post knowledge assessment with a score of 90% or higher.
